

## **A Prayer for People Suffering from COVID-19 (Coronavirus)**

Most Holy and Everlasting God,

We come to you in the name of Jesus lifting up all of the COVID-19 patients in your Universe.

We remember those in New York, Detroit, and New Orleans.

We specifically lift up our African American Brothers and Sisters who have been stricken.

Lord we know you as the Shepherd who has never lost a sheep.

We know you as a Rock in a weary land.

We know you as a Shelter in the time of storm.

We know you as door, the way and the truth and the light.

Oh God we desire to tap into your Divine healing powers as we lift up COVID-19 Patients everywhere.

We want to lift up the COVID patients who left the hospital ICU and returned to their families and friends.

Thank you Oh God for your healing power.

We want to pray for your healing upon the families whose loved ones who died from COVID-19.

We pray your healing powers upon these families and friends during their time of grief and bereavement.

We thank you for the man suffering from the coronavirus who was on a ventilator in an ICU for 18 days, and you enabled him to leave the hospital and return to his wife.

We thank you the COVID patient who was 100 years old and survived this deadly disease.

We lift these people up because you are the Great Physicians and our Great Healer.

Lift your mighty Hand of healing and anoint the bodies of the COVID-19 patients in Charlottesville, Albemarle, Fluvanna, Harrisonburg, and Waynesboro and throughout Virginia.

And we ask and pray that you will heal them.

We pray for the doctor, nurses, and the housekeepers that work in the hospitals  
and nursing homes and pray for your protection against this corona virus.

We pray that you will protect all of the members under the sound of my voice.

Protect them against this Coronavirus.

We continuously give your name the praise and the Glory.

You are our Help and our Protector.

Oh Great Jehovah Rapha (The Lord Who Heals)

Heal Us in Jesus Name,

Amen

Rev. Mildred M. Best, M.S.S., M.Div., ACPE, B.C.C.
