

## **UVA Imaging Scheduling**

**We will be following the UVA Health System measures to keep patients and staff safe including:**

- Employees sign a health attestation prior to reporting to work.
- Patients phone screened at the time of scheduling.
- Patients phone screened at the time of confirmation.
- Patient and employee screening at entrance for symptoms and temperature checks.
- Universal masking for all patients and staff. Eyewear worn by all clinical staff.
- Prohibiting accompanying visitors except in cases where a single family member and/or caregiver is needed for the patient's ambulation, understanding of, and/or cooperation with the examination.
- Strict social distancing for patients and staff beyond what is needed to complete the examination.
- Eliminating congregation of patients at registration, changing, and waiting areas.
- Enhanced room cleaning between patients.
- Disposable pens for patients.
- Limited paper transactions.

**If a patient is unsure about when to schedule any exam, patient should consult the referring provider to discuss personal risk of COVID or any additional concerns.**
