## Residency Program Information

The University of Virginia Health System (UVaHS) has 3 ASHP-accredited residency programs: Critical Care (established 2002), Drug Information (established 1998), and PGY1-Pharmacy (established 1991). We are excited to offer a combined PGY1 and PGY2-Health System Pharmacy Administration plus Master's degree program for the first time in 2012. Residency program directors are listed on page 4.
