We're Expanding!

The UVA pharmacy residency program has expanded. For the 2017-2018 residency year the number of residents has increased to 17! UVA is

excited to add 2 additional programs for the 2017-2018 year: PGY1-Community Pharmacy and PGY2-Cardiology. The PGY1 Pharmacy residency program will also expand an additional slot for a total of 8 PGY1 residents!

PGY-2 Class of 2016-2017: Where to next?

Brain Kempin

PGY2-Health System Pharmacy Administration

We are excited to announce that Dr. Kempin will be staying with UVA next year! He has accepted a position as a clinical operations manager. Brian and his wife, Kelsey Kempin, are also happy to announce the newest addition to the family, their daughter Callie Ann Kempin. born on 1/11/17.

Tyler Chanas

PGY2-Critical Care

Dr. Chanas has accepted a position as a Critical Care Pharmacist at Vidant Medical Center in Greenville, NC. He is excited to explore North Carolina and is happy to be less than two hours from the beach! It was a pleasure working with Tyler over the past two years and he has left us with some personal life advice: "give 110%, live life to the fullest, and enjoy every day like it could be your last."

Zachary Elliott

PGY2-Infectious Diseases

Dr. Elliott will be staying at UVA with us next year! He has accepted a position as an Antimicrobial Stewardship Team/Medicine Pharmacist and will begin his employment in August after a relaxing vacation in Europe with fellow residents Tyler Chanas and Tom Schultz. Safe travels and be sure to take pictures!

Tom Schultz**PGY2-Oncology**

Dr. Schultz is excited to announce that he has accepted a position with The James Cancer Center at The Ohio State University. His official title is Clinical Pharmacist Specialist—Outpatient GI Oncology. He looks forward to exploring the local cuisine, breweries, and sporting events that they have to offer. Despite landing a position at a rival Big Ten university, he will always be a Purdue Boilermaker at heart. Keep calm and Boiler up!

Elizabeth Streams**PGY2-Drug Information**

Dr. Streams is happy to announce that she has accepted a position for a Transitions of Care Pharmacist position at Huntsville Hospital Pharmacist in Huntsville, Alabama. She is excited to return closer to her husband Grant's home as they begin their working in their new positions. Best of luck to the both of you!

Roy Joseph**PGY2-Informatics**

Dr. Joseph will be staying with UVA next year as he has taken a position as a Senior Pharmacy Application Analyst. The entire UVA Pharmacy community is extremely grateful for Dr. Joseph's hard work this past year! He was a critical component in the success of our Alaris Pump Interoperability implementation this past March and has also put in a great deal of work in preparation for our Epic Phase 2 Go-Live in July. Fantastic work Dr. Joseph, we are excited for what your future holds!

Emily Monds**PGY2– Pediatrics**

Dr. Monds has accepted a position as a Pediatric Hematology/Oncology Clinical Pharmacist at Vidant Medical Center in Greenville, NC. She is very excited to be returning to North Carolina with her fiancée, Taylor, after finishing both her PGY1 and PGY2 residencies at UVA. She will be working alongside co-resident Tyler Chanas who has also accepted a position at Vidant Medical Center. We'll miss you!

The PGY-1 Residents and Michelle on a bright summer day

PGY-1 Class of 2016-2017: We're here to stay!

The UVA PGY-1 residency program has a strong tradition of retaining residents for a second year to further their clinical training. This year we are excited to keep all six PGY-1 residents on to complete a PGY-2 residency at UVA in 2017-2018. Below you will find the respective PGY-2 specialty each resident will complete as well as their biography.

Emily Burns**PGY1–Pharmacy → PGY2–Cardiology**

Dr. Burns will be UVA's first PGY2– Cardiology at UVA! She will be learning under the tutelage of Dr. Steve Dunn. Dr. Burns is a graduate of the Virginia Commonwealth University School of Pharmacy, where she earned her PharmD degree in 2016. Outside of pharmacy, she enjoys spending time with her dogs and riding horses.

Jillian Dann**PGY1–Pharmacy → PGY2–Solid Organ Transplant**

Dr. Dann is excited to be staying with UVA to complete a PGY-2 in Solid Organ Transplant! Dr. Dann is a graduate of the University of Colorado Skaggs School of Pharmacy and Pharmaceutical Sciences, where she earned her PharmD degree in 2016. In her free time, Dr. Dann enjoys exploring Virginia, walking her dog, going to concerts and playing tennis.

Sarah DeMott**PGY1-Pharmacy → PGY2–Critical Care**

Dr. DeMott is excited to be staying at UVA as she will be completing her PGY-2 residency in Critical Care. Dr. DeMott is a graduate of the South Carolina College of Pharmacy at the University of South Carolina campus in Columbia, South Carolina, where she received her PharmD in 2016. Outside of work she enjoys spending time with her friends and family, snuggling with her cat Colonel, watching Netflix, and exploring local vineyards, breweries, and restaurants.

Kyle Grose**PGY1-Pharmacy → PGY2–Oncology**

Dr. Grose will be completing a PGY-2 Oncology residency at UVA. The entire oncology team is proud to be able to work with such a great candidate later this year! Dr. Grose is a graduate of the University of Kansas School of Pharmacy, where he earned his PharmD degree in 2016. In his free time, he enjoys spending time outdoors and watching the Kansas Jayhawks and the Kansas City Royals. He has been very busy these past few months as he and his fiancée, Carlie, have been preparing for their wedding later this year! We look forward to your big day!

Katherine Lemming**PGY1-Pharmacy → PGY2–Pediatrics**

Dr. Lemming is happy to announce she will remain with UVA as she completes a PGY-2 Pediatrics residency! Dr. Lemming is a graduate of the Bernard J. Dunn School of Pharmacy at Shenandoah University in Winchester, Virginia, where she received her PharmD in 2016. In her free time, she enjoys visiting family and friends, going to the park with her dog, and exploring Charlottesville.

Sean McCullough**PGY1-Pharmacy → PGY2–Infectious Diseases**

Dr. McCullough will stay with UVA to complete a PGY-2 Infectious Diseases residency. He is excited to continue working with everyone here at UVA! Dr. McCullough is a graduate of Virginia Commonwealth University School of Pharmacy, where he earned his PharmD degree in 2016. Outside of work he enjoys sports, food, beer, and wilderness.

Chelsea Zavilla**PGY1-Pharmacy/PGY2-Health System Pharmacy Administration**

Dr. Zavilla will be completing a PGY-2 Health System Pharmacy Administration residency at UVA. The pharmacy management team is eager to begin working with her later this year! Dr. Zavilla is a graduate of the University of Pittsburgh School of Pharmacy, where she received her PharmD degree in 2016. She is currently the PGY1-Health System Pharmacy Administration Resident and is earning her M.S. degree from Virginia Commonwealth University. Outside of work she enjoys cheering on her Pittsburgh sports teams, running and exploring the Charlottesville vineyards, historical sites and shopping areas.

UNC Research in Education and Practice Symposium

On May 22-23, 2017 all seven PGY-1 residents traveled to UNC Eshelman School of Pharmacy in Chapel Hill, NC for the Fourth Annual Research in Education and Practice Symposium. The residents presented their research projects in a 10-minute platform presentation style format. It was an engaging opportunity for the residents as they were able to receive high-level feedback on their research as well as network with fellow pharmacy practitioners across the region. This was the third consecutive year that UVA has had PGY-1 pharmacy residents participate in this event.

Hoos New? The PGY1 Class of 2017-2018

We are excited to announce that we had yet another successful Match Day on 3/17/2017! This year the PGY-1 residency program expanded to include one more spot for a total of seven PGY-1 residents! We are also very happy to announce the addition of a PGY-1 Community Pharmacy Residency Program. The Future of UVA Outpatient Pharmacy

- UVA Pharmacy opened to the public on April 1st, replacing Barringer Pharmacy as UVA's flagship community pharmacy. The pharmacy is located on the first floor of the Educational Resource Center building located across from the University Hospital lobby. This central location allows us to increase access to a pharmacist, provide new services, and increase convenience for patients and team members. If you're in the area we'd love for you to visit! Stop by the Education Resource Center or in the Inpatient Pharmacy and we'd be happy to show you around!
- Barringer Pharmacy permanently closed on 3/31/17. All outpatient pharmacy needs are now met by UVA Pharmacy. All phone numbers and email address to reach the pharmacy remain the same.
- The Education Resource Center is also the new home to UVA Radiology & Medical Imaging and Graduate Medical Education program among others.

Services/amenities

- 24 hour/ 7 days access: We will be the only pharmacy within 50 miles that a patient can access 24 hours daily.
- The building will be open from 8am to 9pm Monday - Sunday, off hours, patients will be buzzed in to maintain a secure environment
- The Meds 2 Beds program will operate out of UVA Pharmacy
- The pharmacy will have 10 patient interaction windows for pick up or drop off and 3 dedicated private patient education bays.
- The pharmacy will have a private wellness room for immunization or other clinical services.
- Over the counter medications – ERC pharmacy will have an expanded OTC selection available for patients
- Two new improved Uteam pickup windows for employees
