

PGY2-Oncology Pharmacy Residency Application Requirements

Applicants must:

- Have completed an ASHP accredited PGY-1 pharmacy residency
- Be eligible for licensure in the Commonwealth of Virginia and licensed by September 1, 2013

Applicants must submit the following by the specified deadline:

- Curriculum vitae
 - Include completed and anticipated PGY-1 residency experience rotations
- Letter of intent
- Three letters of recommendation †
 - Recommendation letters are a major consideration in evaluating program applicants.

† The following items are suggested for inclusion in each letter of recommendation:

- **Insight into the candidate's clinical skills, knowledge base, problem-solving, and personal attributes (i.e., ability to work with others, motivation, initiative)**
- Duration of time that they have known the applicant
- Manner in which applicant is known (e.g., advisor, program director, preceptor)
- Any special assets the candidate possesses
- Any weaknesses which might hinder the applicant's ability to perform effectively in a specialty residency program
- Check box forms will **NOT** be accepted.

Please note: The UVA Health System Pharmacy Residency Program does not sponsor VISA applications.
