The University of Virginia Health System (UVAHS) offers an American Society of Health-System Pharmacists (ASHP)-accredited PGY1-Pharmacy Residency. During this 12-month program, residents are involved in high-quality patient-centered care, medication use policy, leadership and practice management, project management, education of health care providers and trainees, and participation in medical emergencies. The purpose of the PGY1-Pharmacy Residency is to build on Doctor of Pharmacy (Pharm.D.) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.

**Residency Benefits**

Current resident benefits include:
- Stipend of $47,100
- Twelve days paid vacation
- Eight days paid holidays
- Allotment of sick and interview days
- Premium medical/dental insurance
- Professional leave and travel stipend to attend two meetings (ASHP Midyear and the regional residency conference)

**Application Requirements**

Applicants must:
- Be enrolled in or a graduate of an ACPE-accredited PharmD program
- Be a licensed pharmacist in the Commonwealth of Virginia by September 1.

Completed application materials must be uploaded into PhORCAS by **January 4**.

Residency match #: 177913

---

**Program Director Contact Information:**

Michelle W. McCarthy, PharmD, FASHP
PGY1-Pharmacy Residency Program Director
Director, Medication Use Policy
University of Virginia Health System
Department of Pharmacy Services
P.O. Box 800674
Charlottesville, Virginia 22908-0674
Cell: 434-760-4497
Fax: 434-243-6075; mm4tm@virginia.edu

Michelle W. McCarthy, PharmD, FASHP
Dr. McCarthy is the Director of Medication Use Policy and Compliance and the Residency Program Director for both the PGY1-Pharmacy Residency and PGY2-Drug Information Residency programs. Dr. McCarthy, a graduate of Mercer University, completed an ASHP-accredited Drug Information Practice Residency at the University of Pittsburgh. Awards include 1997 Samford University School of Pharmacy Teacher of the Year, 2003 Virginia Society of Health-System Pharmacists (VSHP) Pharmacist of the Year, 2008 Louis P. Jeffrey Preceptor of the Year, and 2015 Distinguished Drug Information Practitioner Award by the American College of Clinical Pharmacy Drug Information PRN. She oversees the UVAHS Formulary, medication use evaluation program, regulatory accreditation, infusion pump libraries, and policies and procedures, while acting as the Secretary of the Pharmacy and Therapeutics Committee. She has served as Education Committee Chair, Continuing Education Administrator, and President of VSHP. Additionally, Dr. McCarthy was on the ASHP Commission on Credentialing from 2008-2013, including serving as the Chair in 2012. As the manager of UVa’s Virginia Vaccines for Children program, one of her professional interests includes immunizations.
University of Virginia Health System

The University of Virginia (UVA) Health System, located in Charlottesville, Virginia, embodies the leadership and inventiveness personified by its founder, Thomas Jefferson. Two centuries ago in 1819, Jefferson established the nation’s 10th medical school, which has since grown into a nationally renowned academic medical center committed to providing outstanding patient care, educating tomorrow’s health care leaders and discovering better ways to treat disease.

UVA Health System received national recognition in the latest U.S. News & World Report “Best Hospitals” guide with 5 adult and 4 pediatric medical specialties recognized in 2015-2016. UVA Medical Center has received Magnet® recognition from the American Nurses Credentialing Center (ANCC) for its quality patient care, excellence in nursing care and innovative nursing practices.

The University of Virginia Health System integrates patient care, health education, research, and public service. The Health System consists of the following five entities: the University of Virginia Medical Center, the University of Virginia School of Medicine, the University of Virginia School of Nursing, the Claude Moore Health Sciences Library, and the UVA Physicians Group.

The University Community

Charlottesville is a modern, progressive city, filled with old-world elegance and charm, nestled in the foothills of the Blue Ridge Mountains. Charlottesville is famous for its colorful history, distinctive architecture, southern hospitality, and small city sophistication, with an estimated population of 201,599 residing in the greater Charlottesville metro area. Charlottesville has received extensive recognition including: #1 Most Beautiful College campus in America (Best College Reviews, 2015), top 12 cutest small towns in America (The Huffington Post, 2015), one of the USA’s 12 best places for book lovers (The Culture Trip, 2015), top 7 amazing destination bike roads (Bikewagon, 2015), top 10 brightest fall foliage destinations in the country (USA Today, 2014), Top-five new American foodie cities (Wine Enthusiast Magazine, 2014), Best College Town (Travelers Today, 2014), 4th Best Place to Live in the Country (Kiplinger’s Magazine, 2009), and the Happiest City in America (Good Housekeeping, 2014).
The Department of Pharmacy

The Department of Pharmacy has a progressive practice model with clinical coordinators and clinical pharmacists that provide extensive, decentralized clinical services throughout the health system. These efforts are supported by computerized prescriber order entry, extensive automation services, a state-of-the-art IV room, barcode medication administration, and an integrated electronic health record. Additionally, UVA Health System includes a Medication Use Policy Service, Investigational Drug Services, Outpatient Infusion Centers, a Children’s Hospital, as well as ambulatory oncology clinics, and several outpatient retail pharmacies.

Mission

The UVA Health System Department of Pharmacy Services will provide superlative patient-centered care focused on safe medication practices and innovative education and training.

Vision

The UVA Health System Pharmacy Department is a vital member of the patient care team dedicated to expanding patient care services and leading initiatives to maximize patient safety and improve outcomes. We are a collaborative group focused on providing superlative patient care in the setting of ongoing professional development by all employees, a productive, innovative work environment in which staff are engaged and motivated, and nationally-recognized clinical services and educational/ training programs.
PGY1-Pharmacy Residency Application Requirements

Applicants must:
- Be enrolled in or a graduate of an ACPE-accredited advanced pharmacy program
- Be eligible for licensure in the Commonwealth of Virginia and licensed by September 1

Applicants must upload the following to PhORCAS by the specified deadline:
- Curriculum vitae
  - Include completed and anticipated advanced pharmacy practice experience rotations
  - Include leadership and organizational involvement
- Letter of intent
- Official college of pharmacy transcript
- FOUR references/ letters of recommendation
  - THREE references MUST be from individuals able to speak to clinical problem-solving in direct patient care experiences (not classroom)
  - References must comment on the following characteristics:
    - Ability to organize and manage time
    - Ability to work with peers and communicate
    - Clinical problem solving skills
    - Independence and resourcefulness
    - Willingness to accept constructive criticism
    - Professionalism

Please note: The UVA Health System Pharmacy Residency Program does not sponsor work visas.
PGY1-Pharmacy Residency Program Overview

The 2016-17 UVA Health System PGY1-Pharmacy Residency will begin on July 1, 2016 and end on June 30, 2017. Mandatory resident orientation will take place the week of June 13, 2016. During July, residents will rotate through various areas of the Pharmacy Department and develop skills required for the provision of pharmacy services. Clinical rotations are 5 weeks in duration and begin the last Monday in July. Pharmacy residency policies can be referenced on the UVA pharmacy website at: http://www.medicalcenter.virginia.edu/pharmacy/residency_info

I. PGY1-Pharmacy Residency Rotations
   Required Rotations
   - Acute Care Specialty - Rotation in one Acute Care Specialty area (see choices below)
   - Critical Care - Rotation in one of the Critical Care areas (see choices below)
   - Medication Use Policy - Rotation in the Medication Use Policy Center
   - General Medicine - Rotation in Ambulatory Care or Internal Medicine
   - Practice Management - Rotation with the Pharmacy Services Administrator/Directors/Managers

   Acute Care Specialty
   - Benign Hematology
   - Emergency Department
   - Hematology/Oncology
   - Infectious Diseases (Consult, Immunosuppressed, or Clinics)
   - Pediatrics
   - Solid Organ Transplantation
   - Stem Cell Transplantation

   Critical Care Rotations
   - Coronary Care Unit (CCU)
   - Medical Intensive Care Unit (MICU)
   - Neonatal Intensive Care Unit (NICU)
   - Neonatey Neuro Intensive Care Unit (NNICU)
   - Pediatric Intensive Care Unit (PICU)
   - Surgical Trauma/Burn Unit (STICU)
   - Thoracic/Cardiovascular Surgery Post-Op (TCVPO)

   Other Electives
   - Acute Care Operations
   - Informatics
   - Medication Safety

Residents will have up to three rotations (15 weeks) available for elective rotations. To maintain compliance with the accreditation standard, no more than 3 rotations can occur in a similar practice area (eg, critical care, pediatrics) and at least two-thirds of the year is spent in direct patient care learning experiences. Additional rotations may be developed based on resident interest and preceptor availability. Between the third and fourth rotation blocks (November and December), residents will have a mixture of research days and mini-rotations.
Mini-rotations are abbreviated experiences (3-10 days in duration) held for a total of 13-16 days in November and December. These abbreviated experiences provide residents with exposure to areas in which 1) they do not have a scheduled rotation; 2) they would like repeat experiences beyond their scheduled rotations; or 3) they would like a varied experience beyond their scheduled rotations (ambulatory hematology/ oncology vs. inpatient hematology/ oncology). Additionally, there are select mini-rotations held with services/ departments outside of the pharmacy (ie, nutrition services, toxicology, pharmacogenomics research lab).

II. Research Activities
a. Completion of a major project is a requirement of the residency. Final reports must be submitted in manuscript style and approved by the Project Advisor and Program Director.
b. During the first half of the year, each resident will also complete a Medication Use Evaluation or Quality Improvement project. Completed projects will be submitted for poster presentation at the University HealthSystem Consortium meeting held in conjunction with the ASHP Midyear Clinical Meeting.

III. Presentation Requirements
a. Residents are required to provide a platform presentation on the results of their residency research project at the regional residency conference.
b. Each resident is responsible for presenting one seminar, one case conference, and one technician talk during the course of the residency year. The seminar is ACPE-accredited to provide continuing education (CE) to pharmacists and the tech talk is ACPE-accredited for technician CE.

IV. Professional Leave for Meeting Attendance
a. Residents will attend the ASHP Annual Midyear Clinical Meeting and the regional residency conference. A flat travel stipend is provided; expenses incurred beyond the stipend are the responsibility of the resident.

V. Longitudinal Service
a. Participation in the service component provides necessary training and allows the residents to meet the intent of the ASHP residency standard. Over the course of the year, residents work in various areas in the department including IV admixtures, unit dose, and decentralized clinical coverage.
b. Residents provide service in the distributive/ clinical areas 16 hours every other weekend. Additionally, residents will work one major holiday (Thanksgiving and the day after, Christmas Eve and Christmas Day, or New Year’s Eve and New Year’s Day) and the associated weekend.

VI. Certification
Residents complete American Heart Association Advanced Cardiac Life Support training and certification and respond to cardiopulmonary emergencies. Additionally, PGY2 residents have the opportunity to participate in the Certificate in Public Health Sciences for Resident and Fellow Physicians (https://med.virginia.edu/phs/education-programs-in-public-health-sciences/other-educational-programs/certificate-program/).

VII. Teaching
The Department of Pharmacy has a partnership with VCU School of Pharmacy to offer a UVA Division Satellite Campus and serves as a rotation site for introductory and advanced pharmacy practice experiences. Residents will have a variety of teaching opportunities that include providing didactic experiences, serving as laboratory teaching assistants, and co-precepting students on clinical rotations. Through a partnership with the Virginia Commonwealth University (VCU) School of Pharmacy, UVAHS pharmacy residents have the opportunity to earn a Teaching and Learning Certificate.
PGY1-Pharmacy Residency Preceptors

Amy Adams, PharmD, CCRP
- Current position:
  o Investigational Drug Service Pharmacy Coordinator
- Education/Training:
  o PharmD, Campbell University
- Residency involvement:
  o Preceptor for the investigational drug service rotation

Bryan T. Alexander, PharmD, BCPS, AAHIVP
- Current position:
  o Clinical Coordinator for Infectious Diseases
- Education/Training:
  o PharmD, University of Maryland
  o PGY1-Pharmacy and PGY2-Infectious Diseases, Barnes-Jewish Hospital
- Residency involvement:
  o Preceptor for the general infectious diseases and immunocompromised/ transplant infectious diseases rotations; MUE/QIP; Research project
- Teaching awards:
  o 2014 VCU Outstanding Preceptor
  o 2010-11 Pharmacy Residency Preceptor of the Year

Winston Ally, PharmD, BCPS
- Current position:
  o Clinical Coordinator for Solid Organ Transplantation
  o Director for PGY2-Solid Organ Transplantation Residency
- Education/Training:
  o PharmD, Rutgers University
  o PGY1-Pharmacy and PGY2-Solid Organ Transplantation, Methodist University Hospital
- Residency involvement:
  o Preceptor for solid organ transplantation rotation; MUE/QIP; Research project

Scott Anderson, PharmD, MS
- Current position:
  o Senior Pharmacy Application Analyst
- Education/Training:
  o PharmD, University of Illinois at Chicago
  o PGY1-Pharmacy and Masters of Science in Health System Pharmacy Administration, University of Pittsburgh
  o PGY2-Informatics, University of Virginia (UVA) Health System
- Residency involvement:
  o Preceptor for pharmacy informatics rotation

Jenni W. Barnes, PharmD
- Current position:
  o Pediatric Clinical Pharmacist
- Education/Training:
  o PharmD, Virginia Commonwealth University (VCU)
  o PGY1-Pharmacy, Alamance Regional Medical Center
- Residency involvement:
  o Preceptor for general pediatrics rotation

Michael Bedenbaugh, PharmD, MBA, MS
- Current position:
  o Pharmacy Manager, Supply Chain and Finance
- Education/Training:
  o PharmD, South Carolina College of Pharmacy (USC Campus)
  o MBA, Moore School of Business at the University of South Carolina
  o PGY1/PGY2 Health System Pharmacy Administration Residency, UVA Health SystemMS, VCU School of Pharmacy
- Residency involvement:
  o Preceptor for practice management rotation

Kate Bidwell, PharmD, BCPS
- Current position:
  o Medication Use Policy Coordinator
- Education/Training:
  o PharmD, VCU
  o PGY1-Pharmacy, Ohio State University Wexner Medical Center
  o PGY2-Critical Care, UVA Health System
- Residency involvement:
  o Preceptor for medication use policy rotation; MUE/QIP; research project

Kathleen A. Bledsoe, PharmD, BCPS
- Current position:
  o Clinical Coordinator for Neurosciences
- Education/Training:
  o PharmD, Albany College of Pharmacy
  o PGY1-Pharmacy and PGY2-Critical Care, UVA Health System
- Residency involvement:
  o Preceptor for NNICU rotation; MUE/QIP; Research project; Pharmacy emergency response coordinator
Paige Bowers, PharmD, BCPS
- Current position: Clinical Oncology Pharmacist
- Education/Training:
  - PharmD, West Virginia University
  - PGY1-Pharmacy, West Virginia University Hospitals
- Residency involvement:
  - Preceptor for inpatient hematology/oncology rotation, MUE/QIP

Marcia L. Buck, PharmD, FCCP, FPPAG
- Current position: Clinical Coordinator for Pediatric Pharmacy Service and Clinical Associate Professor of Pediatrics in the Schools of Medicine and Nursing
- Director for PGY2-Pediatrics Residency
- Education/Training:
  - PharmD, Purdue University
  - Specialized Pediatric residency and fellowship in Pediatric Pharmacotherapy, Medical University of South Carolina
- Residency involvement:
  - Preceptor for NICU, PICU, and general pediatrics rotations; MUE/QIP; Research project
- Teaching awards:
  - Fall 2006 VCU Preceptor of the Month
  - 2006 Pharmacy Residency Preceptor of the Year
  - 2008 McLemore Birdsong Award for Excellence in Teaching, UVA School of Medicine, Department of Pediatrics
  - 2009-10 Pharmacy Residency Preceptor of the Year

Derek Burden, PharmD, BCPS
- Current position: Clinical Coordinator for Emergency Medicine
- Education/Training:
  - PharmD, University of Kentucky
  - PGY1-Pharmacy and PGY2-Critical Care, Grady Health System
- Residency involvement:
  - Preceptor for emergency department rotation; MUEs; Research project

Lindsey Buscemi, PharmD, BCPS
- Current position: Infectious Diseases Clinical Pharmacist
- Education/Training:
  - PharmD, Philadelphia College of Pharmacy
  - PGY1-Pharmacy and PGY2-Infectious Diseases, Barnes-Jewish Hospital
- Residency involvement:
  - Preceptor for infectious diseases consult and infectious diseases outpatient clinic rotations, MUE/QIP, research project

Michele Campolieto, PharmD, BCPS
- Current position: Transplant Clinical Pharmacist
- Education/Training:
  - PharmD, Massachusetts College of Pharmacy and Health Sciences
  - PGY1-Pharmacy, Brigham and Women’s Hospital
- Residency involvement:
  - Preceptor for solid organ transplantation rotation

Mark Chabot, RPh, MBA, MHA
- Current position: Pharmacy Informatics Manager
- Director for PGY2-Informatics residency
- Education/Training:
  - BS Pharm, Butler University
  - MHA and MBA, Pfeiffer University
- Residency involvement:
  - Preceptor for pharmacy informatics rotation

Susan Cogut Mankad, PharmD
- Current position: Medication Use Policy Coordinator
- Education/Training:
  - PharmD, Medical College of Virginia/Virginia Commonwealth University (MCV/VCU)
  - PGY1-Pharmacy and PGY2-Drug Information UVA Health System
- Residency involvement:
  - Preceptor for medication use policy rotation; MUE/QIP
- Teaching award:
  - 2011-12 Pharmacy Residency Preceptor of the Year

Heather Cox Hall, PharmD, BCPS-AQID
- Current position: Clinical Coordinator for Infectious Diseases and Clinical Assistant Professor of Medicine with the Division of Infectious Diseases and International Health
- Director for PGY2-Infectious Diseases Residency
- Education/Training:
  - PharmD, Nova Southeastern University
  - PGY1-Pharmacy and PGY2-Infectious Diseases, Wake Forest University Baptist Medical Center
- Residency involvement:
- Preceptor for general infectious diseases and immunocompromised/transplant infectious diseases rotations; MUEs; Research project
  - Teaching awards:
    o 2008-9 and 2013-14 Pharmacy Residency Preceptor of the Year
    o 2010 VCU Outstanding Preceptor

**Kathlene DeGregory, PharmD, BCOP**
- Current position:
  o Clinical Coordinator for Hematology/Oncology and Stem Cell Transplant
  o Director for PGY2-Oncology Residency
- Education/Training:
  o BS, Philadelphia College of Pharmacy and Science
  o PharmD, Temple University
- Residency involvement:
  o Preceptor for hematology/oncology rotation; MUE/QIP; Research project
- Teaching awards:
  o 2006-7 Pharmacy Residency Preceptor of the Year
  o 2012 VCU Outstanding Preceptor

**Bethany Delk, PharmD, BCPS**
- Current position:
  o Clinical Coordinator for Internal Medicine
- Education/Training:
  o PharmD, University of Georgia
  o PGY1-Pharmacy and PGY2-Critical Care, UVA Health System
- Residency involvement:
  o Preceptor for internal medicine rotation; MUE/QIP; research project

**Steven Dunn, PharmD, BCPS**
- Current position:
  o Clinical Coordinator for Cardiology
- Education/Training:
  o PharmD, MCV/VCU
  o PGY1-Pharmacy and PGY2-Cardiology, University of North Carolina
- Residency involvement:
  o Preceptor for CCU rotation; MUE/QIP; Research project

**James Fiebert, PharmD**
- Current position:
  o Senior Pharmacy Application Analyst
- Education/Training:
  o PharmD, St. John’s University
  o PGY1-Pharmacy, Long Island Jewish Medical Center
  o PGY2-Informatics, UVA Health System
- Residency involvement:
  o Preceptor for pharmacy informatics rotation

**Svetlana Goldman, PharmD, BCACP**
- Current position:
  oAmbulatory Care Clinical Pharmacist
- Education/Training:
  o PharmD, University of Pittsburgh
  o PGY1-Pharmacy, Charles George VA Medical Center, Asheville NC
- Residency involvement:
  o Preceptor for ambulatory care rotation, MUE/QIP

**Amanda Gordon, PharmD, MS**
- Current position:
  o Pharmacy Manager, Clinical Services
- Education/Training:
  o PharmD, University of Cincinnati
  o PGY1/PGY2 Health System Pharmacy Administration Residency, University of Wisconsin
  o MS, University of Wisconsin
- Residency involvement:
  o Preceptor for practice management rotation; orientation

**Rebecca Haynes Hockman, PharmD, BCPS**
- Current position:
  o Clinical Coordinator for Critical Care
  o Assistant Director for the PGY2-Critical Care residency program
- Education/Training:
  o PharmD, MCV/VCU
- Residency involvement:
  o Preceptor for medical ICU rotation; MUE/QIP; research project
- Teaching award:
  o 2007-8 Pharmacy Residency Preceptor of the Year

**J. Nate Hedrick, PharmD**
- Current position:
  o Emergency Medicine Clinical Pharmacist
- Education/Training:
  o PharmD, University of North Carolina
  o PGY1-Pharmacy and PGY2-Critical Care, UVA Health System
- Residency involvement:
  o Preceptor for emergency medicine rotation; service
Angela Hillis Holian, PharmD, BCPS
- Current position:
  - Clinical pharmacist for emergency medicine
- Education/Training:
  - PharmD, University of Tennessee Health Science Center
  - PGY1-Pharmacy, University of Tennessee Medical Center
- Residency involvement:
  - Preceptor for emergency medicine rotation, MUE/QIP, research project; service

Matthew T. Jenkins, PharmD, MS
- Current position:
  - Manager, Acute Care Operations
- Education/Training:
  - PharmD, Auburn University
  - PGY1/PGY2 Health System Pharmacy Administration Residency, UPMC Presbyterian- Shadyside
  - MS, University of Pittsburgh
- Residency involvement:
  - Preceptor for pharmacy operations rotation

Julie J. Kelsey, PharmD
- Current position:
  - Clinical Pharmacist in Women’s Health and Family Medicine
- Education/Training:
  - PharmD, University of the Pacific
  - PGY1-Pharmacy, University of Utah
  - Specialized Residency in Obstetrics, Gynecology, and Neonatology, The Regional Medical Center at Memphis
- Residency involvement:
  - Preceptor for obstetrics/ family medicine rotation; MUE/QIP; research project

Stephanie Mallow Corbett, PharmD, FCCM
- Current position:
  - Medication Quality, Performance Improvement and Safety Officer/Coach
- Education/Training:
  - PharmD, Albany College of Pharmacy
  - PGY1-Pharmacy, PGY-2 Critical Care, and Fellowship in Trauma/Critical Care, Fletcher Allen Health Care
- Residency involvement:
  - Preceptor for medication safety rotation; MUE/QIP; research project

Steven R. Miller, RPh
- Current position:
  - Director of Pharmacy Business Services
- Education/Training:
  - BS Pharmacy, MCV/VCU
- Residency involvement:
  - Preceptor for practice management rotation

Michael Palkimas, PharmD
- Current position:
  - Manager, Ambulatory Services
- Education/Training:
  - PharmD, Massachusetts College of Pharmacy and Health Sciences, Worcester Campus
- Residency involvement:
  - Preceptor practice management rotation

Surabhi Palkimas, PharmD
- Current position:
  - Clinical Coordinator for Benign Hematology
- Education/Training:
  - PharmD, Massachusetts College of Pharmacy and Health Sciences, Worcester Campus
  - PGY1- Pharmacy, Hospital of Saint Raphael in New Haven, Connecticut
- Residency involvement:
  - Preceptor for benign hematology rotation; MUE/QIP; research project
  - Teaching award:
    - 2014-15 Pharmacy Residency Preceptor of the Year

Sarah Parsons, PharmD
- Current position:
  - Pediatric Clinical Pharmacist
- Education/Training:
  - PharmD, Virginia Commonwealth University (VCU)
  - PGY1-Pharmacy, pediatric focus, HCA Health System
- Residency involvement:
  - Preceptor for General Pediatrics, Neonatal ICU rotations

Stacey B. Pattie, PharmD, BCPS
- Current position:
  - Medication Use Policy Coordinator
- Education/Training:
  - PharmD, University of North Carolina
  - PGY1-Pharmacy, UVA Health System
- Residency involvement:
  - Preceptor for drug information rotation; MUE/QIP; research project
  - Teaching award:
    - Fall 2008 VCU Preceptor of the Month

Emily C. Prabhu, PharmD, BCPS
- Current position:
  - Medication Use Policy Coordinator
- Education/Training:
  - PharmD, Butler University
  - PGY1-Pharmacy, Saint Joseph Regional Medical Center
- PGY2-Health-System Pharmacy Administration and Fellowship-Medication Use Policy, UVA Health System
  - Residency involvement:
    - Preceptor for medication use policy rotation; MUE/QIP

Rafael Saenz, PharmD, MS, FASHP
- Current position:
  - Administrator of Pharmacy Services
  - Assistant Dean, VCU School of Pharmacy – UVA Division
  - Program Director, PGY2 Health System Pharmacy Administration Residency
- Education/Training:
  - PharmD, MCV/VCU School of Pharmacy
  - PGY1-Pharmacy and Masters of Science in Health System Pharmacy Administration, University of Wisconsin
- Residency involvement:
  - Preceptor for practice management rotation

Jeremy Sen, PharmD, BCOP
- Current position:
  - Clinical Oncology Pharmacist
- Education/Training:
  - PharmD, University of North Carolina at Chapel Hill
  - PGY1-Pharmacy and PGY2-Oncology, UVA Health System
- Residency involvement:
  - Preceptor for inpatient hematology/oncology rotation; MUE/QIP; research projects

Jefferson M. Sesler, PharmD, BCPS
- Current position:
  - Clinical Pharmacist for Cardiovascular and Thoracic Surgery
- Education/Training:
  - PharmD, MCV/VCU
- Residency involvement:
  - Preceptor for Thoracic/Cardiovascular Surgery Post-Op (TCVPO) rotation

Clara Jane Snipes, RPh
- Current position:
  - Pediatric Clinical Pharmacist
- Education/Training:
  - PharmD, MCV/VCU
- Residency involvement:
  - Preceptor for general pediatrics rotation

David Volles, PharmD, BCPS
- Current position:
  - Clinical Coordinator for Surgical/Trauma ICU
- Education/Training:
  - PharmD, University of North Carolina
  - PGY1-Pharmacy, University of Maryland Medical Center
- Residency involvement:
  - Preceptor for STBICU rotation; MUE/QIP; research projects

Leslie Ward, PharmD, BCPS, BCOP
- Current position:
  - Clinical Oncology Pharmacist
- Education/Training:
  - PharmD, University of North Carolina
  - PGY1-Pharmacy, University of Maryland Medical Center
- Residency involvement:
  - Preceptor for inpatient hematology/oncology rotation

Jovan Williams, PharmD
- Current position:
  - Surgery Clinical Pharmacist
- Education/Training:
  - PharmD, University of Mississippi
  - Postdoctoral Fellowship Neuropharmacology, VCU
- Residency involvement:
  - Preceptor for critical care rotation, service, research project

Donna M. White, RPh, BCACP, CDE
- Current position:
  - Clinical Coordinator for Ambulatory Care
- Education/Training:
  - BS Pharm, MCV/VCU
  - Certified Diabetes Educator
  - ASHP/ APHA Immunization Certification
  - ASHP/APHA MTM Certification
- Residency involvement:
  - Preceptor for ambulatory care rotation; MUE/QIP; research project
- Teaching awards:
  - Fall 2007 VCU Preceptor of the Month
  - 2010 VCU Mentor Award
Amanda Zomp, PharmD, BCPS
- Current position:
  - Critical Care Clinical Pharmacist
- Education/Training:
  - PharmD, Campbell University
  - PGY1-Pharmacy, Palmetto Health
  - PGY2-Critical Care, Tampa General Hospital
- Residency involvement:
  - Preceptor for critical care rotation, service, research project
Dr. Chanas is a graduate of the University of Pittsburgh School of Pharmacy, where he earned his PharmD degree in 2015. His professional interests include critical care and academia. Dr. Chanas will complete his quality project on the impact of a Pharmacokinetic Consult Service in the MICU on appropriate antibiotic usage. His longitudinal research project will examine the efficacy of ketamine use in burn patients at maintaining pain and sedation control while reducing opioid and benzodiazepine requirements. Upon completion of his PGY-1 pharmacy residency, Dr. Chanas will be completing UVA’s PGY-2 critical care residency. Outside of work he enjoys going to the gym, playing guitar, Pittsburgh sports, and the beach.

Dr. Monds is a graduate of The University of North Carolina Eshelman School of Pharmacy, where she received her PharmD degree in 2015. Her professional interests include pediatrics and oncology. Dr. Monds will complete a quality improvement project to examine readmission rates following the implementation of the “VTE-to-Home Protocol” pilot. Her longitudinal research project will examine the pharmacokinetic profile of gentamicin in pediatrics patients on ECMO. Upon completion of her PGY1, she’ll be staying on at UVA Health System to complete the PGY2-pediatrics residency. Outside of work she enjoys time with friends and family, visiting local vineyards, and finding any excuse to travel.

Dr. Lonabaugh is originally from Woodbury, NJ outside of Philadelphia. He graduated from the College of William and Mary with a Bachelor of Science in Biology and a Bachelor of Arts in French. He spent a year teaching English in Ajaccio, Corsica (France), and then went on to complete his Doctor of Pharmacy degree at Shenandoah University Bernard J. Dunn School of Pharmacy in Winchester, VA. His professional interests include pediatrics, infectious diseases, and ambulatory care. Dr. Lonabaugh hopes to complete a PGY2 specialty residency following completion of his PGY1 program and eventually work in academia. His quality project will be evaluating the appropriateness of prescribing patterns of novel oral anticoagulants (rivaroxaban, dabigatran, and apixaban). His longitudinal research project will look at vancomycin pharmacokinetics in the ECMO circuit in the pediatric population. He will also be serving on the interdisciplinary NICU council this year. Outside of pharmacy, Dr. Lonabaugh enjoys tennis, swimming, and cooking. He also enjoys reading and brushing up on his foreign language skills.

Dr. Reese is a graduate of the South Carolina College of Pharmacy at the Medical University of South Carolina in Charleston, South Carolina, where she received her PharmD degree in 2015. Her professional interests include internal medicine, informatics, and medication safety. Dr. Reese will complete a quality improvement project to identify preventable medication-related events as a precipitating factor of the Behavioral Emergency Response Team (BERT) activations by determining how many BERT alerts are secondary to medication-related adverse effects and/or withdrawal. Her longitudinal research project will evaluate if platelet function guided time to surgery is less than the standard time to surgery when interrupting P2Y12 inhibitor therapy in coronary
artery bypass grafting (CABG). In addition, this project will determine the difference in bleeding rates between the platelet function guided time to surgery patients and patients who never received P2Y12 therapy prior to CABG. Outside of work she enjoys spending time with her fiancé and dog, wine tasting, dining at local restaurants, and exploring the Shenandoah National Park.

Thomas Schultz, PharmD
PGY1 Pharmacy
tes2a@virginia.edu

Dr. Schultz is a graduate of Purdue University in West Lafayette, Indiana, where he earned his PharmD in 2015. His professional interests include hematology and oncology, international health, and academia. Dr. Schultz will complete a quality project to evaluate the trends associated with hydration and urine alkalinization strategies prior to high-dose methotrexate administration. His longitudinal research project will focus on unfractionated heparin dosing in obese patients for the treatment of VTE. Upon completion of his PGY-1 pharmacy residency, Dr. Schultz will be completing the UVA Health System PGY-2 oncology residency. Outside of residency, Tom enjoys traveling, hiking, and exploring Charlottesville as well as rooting for the Boilermakers, Twins, Vikings, and Wild.

Elizabeth Snipes PharmD
PGY1 Pharmacy
ces3dk@virginia.edu

Dr. Snipes is a graduate of Auburn University Harrison School of Pharmacy, where she received her PharmD degree in 2015. She also received two undergraduate degrees in Biomedical Sciences and French from Auburn University. Dr. Snipes will complete a quality improvement project to examine the adherence to a newly implemented adult insulin pump protocol. Her longitudinal research project will examine the use of ramelteon and melatonin to reduce the incidence of delirium in the intensive care unit. Upon completion of her PGY-1 Pharmacy residency, she will be completing the UVA PGY2 drug information residency program. Outside of work she enjoys spending time with her fiancé, friends, and family, as she is a native of Charlottesville. She also loves to travel and will forever love orange and blue (War Eagle and Wahoo Wa!).

Brian Kempin PharmD
PGY1 Pharmacy/ PGY2 Health System Pharmacy Administration
blk8c@virginia.edu

Dr. Kempin is a graduate of the University of Kansas School of Pharmacy, where he received his PharmD degree in 2015. He is currently in the PGY1 year of his two year PGY1 Pharmacy/PGY2 Health-System Pharmacy Administration residency. Brian will complete a quality improvement project on the “Impact of Insulin Day Supply Dispensed from Outpatient Pharmacy on Type 2 Diabetes Control Measured by Change in Hemoglobin A1C”. His longitudinal research project will be evaluating the “Value of Emergency Department Pharmacist Participation in Interdisciplinary Sepsis Response on Empiric Antibiotic Selection and Clinical Outcomes”. Upon completion of his PGY1 pharmacy residency, he will continue on as the PGY2 Health-System Pharmacy Administration Resident at UVA. He is currently serving on ASHP’s Innovation Management Section Advisory Group. Outside of work he enjoys time with his wife and friends, exploring Charlottesville, golfing and cheering on the Jayhawks and the Kansas City Royals.

The University of Virginia is an Equal Opportunity/Affirmative Action Employer. UVA is committed to complying fully with the Americans with Disabilities Act (ADA) and ensuring equal employment opportunities for qualified persons with disabilities.
