

## PGY1-Pharmacy Residency Application Requirements

Applicants must:

- be enrolled in or a graduate of an ACPE-accredited advanced pharmacy program
- be eligible for licensure in the Commonwealth of Virginia and licensed by September 1
- prior hospital experience is strongly encouraged

Applicants must submit the following by the specified deadline:

- Curriculum vitae
- Letter of intent
- Three letters of recommendation \*
- Official college of pharmacy transcript

\*The letters of recommendation are a major consideration in our evaluation of program applicants.

Please ask letter writers to include all of the following in the letters:

- the amount of time that they have known the applicant
- the manner in which they have known the applicant (eg, faculty advisor, clerkship preceptor, employer)
- any special assets the candidate possesses
- any weaknesses which would hinder the applicant's ability to perform effectively in a residency program
- information about clinical skills, problem-solving, ability to work with others, motivation, and initiative**
- Checkbox forms will NOT be accepted.**
